

Name _____

City Beats: The Rhythm of Redemption

Short Answer Key

1. The old community center is significant because it becomes the focal point of Jamal and his friends' mission to restore hope and positive change to their neighborhood.
2. Jamal and his friends are motivated by their love for dance and their desire to create a safe space for young people in their neighborhood to pursue their passions.
3. One obstacle they face is limited resources for the center's restoration.
4. The neighborhood benefits from the efforts of Jamal and his friends by gaining a revitalized community center, a safe haven for artistic expression, and a renewed sense of hope and unity.
5. Dance serves as an escape for Jamal, allowing him to express himself and connect with others who share his passion for movement and rhythm.
