

Name _____

Robo's Remarkable Pet

Open-Ended Response Answer Key

1. I would teach Sparky about the beauty of nature, the importance of kindness, and how to appreciate simple moments like watching a sunset.
2. Sparky probably meant that it was grateful for Robo for creating it and for showing it the wonders of the world. Sparky likely felt happy and fulfilled about its adventures with Robo.
3. I would create a robot dog because it could do fun tricks, play fetch, and keep me company. Plus, I could take it on adventures just like Robo did with Sparky.
4. The most important lesson they learned might be about the value of friendship and kindness because these qualities make life richer and more meaningful. It's important because being kind and having friends can bring happiness and joy to our lives.
