

Name _____

Remembering Stargirl

Short Answer

1. Why does the novel start with Leo remembering Stargirl instead of telling the story as it happens?
2. How does the use of flashbacks help the reader understand Leo's emotions?
3. What does Leo regret about his past decisions?
4. Why does Stargirl feel almost like a legend in Leo's memories?
5. How does the way the story is told make it more personal for the reader?
