## Remembering Stargirl

### Open-Ended Response Answer Key

1. Answers will vary, but students may describe a time they realized something important only after looking back.
2. Some people don't realize the value of others because they are too focused on their own worries at the time.
3. If Stargirl had been told in real-time, readers wouldn't see how much Leo changed and learned from his experiences.
4. Leo learns that trying to change someone else isn't fair and that true individuality should be valued.
