

Name _____

The Magic Remote Adventures

Short Answer

1. Describe the friends' first adventure using the magic remote control. What challenges did they face, and what did they achieve in this prehistoric world?
2. Explain the second adventure where the friends became Galactic Heroes. What challenges did they encounter in space, and how did it change them?
3. In their third adventure, the friends visited the Mystical Kingdom. What quest did they undertake, and what lessons did they learn about kindness and friendship?
4. Describe the friends' fourth adventure as Time Travelers. How did they influence history, and what did they discover about the impact of their actions?
