## Repeat & Read

### Open-Ended Response Answer Key

(Answers will vary, but here are possible responses.)

1. The ABC song helps children learn the alphabet by repeating letters in order.
2. Children enjoy repetition because it makes them feel confident and helps them remember words.
3. A new repeated phrase could be "Up they go, one by one, climbing high to reach the sun!"
4. In sports, repeating drills helps athletes get better, just like repeating words helps with reading.
