

Name _____

Repeating Lessons

Short Answer

1. How does the repeated phrase "Not I" help show the laziness of the other animals?
2. Why does the Hen ask the same type of question multiple times?
3. How does the repetition of the Hen's work show her determination?
4. How does the ending of the story teach a lesson about responsibility?
5. If the animals had helped earlier, how might the story have ended differently?
