## Time-Traveling Adventure: The Mystery of the Revolutionary Ring

### Short Answer Key

1. Lily and Max discovered a shimmering silver ring inside the hollow tree, which had the power to transport them back in time to different historical periods.
2. Lily and Max found themselves transported to the time of the American Revolution, just before the signing of the Declaration of Independence.
3. They encountered famous historical figures like George Washington and Thomas Jefferson, who played crucial roles in the American Revolution. Washington was the commander-in-chief of the Continental Army, and Jefferson authored the Declaration of Independence.
4. Lily and Max faced the challenge of finding a way back to their own time while keeping the ring safe from misuse. They overcame it through resourcefulness and bravery.
5. Lily and Max learned that history is alive and shapes the present, emphasizing the importance of understanding and preserving the past.
