## Revolutionary Women

### Short Answer Key

1. Women kept families and communities running by managing farms, businesses, and homes while men were fighting.
2. Women contributed by fighting in battle, spying, cooking, sewing, and helping wounded soldiers.
3. Deborah Sampson was special because she disguised herself as a man and fought in the army for two years.
4. Women spies helped the Patriots by passing secret messages and gathering information about the British.
5. Abigail Adams believed that women should have more rights and be included in the new nation's laws.
