Exploring a Career in Fashion: Challenges and Rewards

Open-Ended Response Answer Key

1. Answers will vary. Students may choose a specific career path such as fashion design, styling, or journalism and explain their interest in it.
2. Answers may include steps like pursuing a fashion-related degree, seeking internships, creating a portfolio, and attending industry events.
3. Qualities and skills may include creativity, perseverance, attention to detail, adaptability, and effective communication. Reasons for their importance should be provided.
4. Answers will vary. Students can express their opinions on whether the rewards of a fashion career outweigh the challenges, providing reasons for their stance.
