## Where Does a Rhinoceros Live?

### Open-Ended Response Questions

1. Why do you think rhinos live in specific habitats and not in other places, like deserts or icy regions?
2. What might happen to rhinos if their habitats keep shrinking?
3. Why are conservation efforts, like creating reserves, important for rhinos and other animals?
4. If you were in charge of protecting rhinos, what ideas would you suggest to keep their habitats safe?
