Name _____

Daily Habits and Behaviors of Rhinoceroses

Open-Ended Response Questions

1. Why do you think rhinos are more active during cooler times of the day?

2. What might happen if rhinos didn't have enough space to live alone or in small groups?

3. How do the habits of rhinos, like wallowing in mud or communicating with scents, help them survive in the wild?

4. Imagine you are observing rhinos in the wild. What would you look for to understand their behavior better?
