Name _____

How Does a Rhinoceros Communicate?

Open-Ended Response Questions

1. Why do you think rhinos use different methods, like sounds and scents, to communicate instead of just one way?

2. What might happen if rhinos couldn't use scent marking anymore?

3. How do you think rhino communication helps them avoid conflicts?

4. Imagine you are observing rhinos in the wild. What signs would you look for to understand how they are communicating?
