## Rhyme Time

### Open-Ended Response Answer Key

1. Acceptable answers might include: "The story would feel less exciting and memorable," or "It might be harder for young readers to follow."
2. Responses could include: "The Fish's serious tone makes the story better because it adds conflict," or "It makes the story less fun because it interrupts the rhyme."
3. Answers might include: "Rhyme helps with language learning by introducing patterns, while rhythm keeps the reader engaged."
4. Responses may vary, such as: "I would make the Cat rhyme even more to make him funnier," or "I would give the Cat a mix of rhyming and serious lines to show his personality better."
