## Rights Matter

### Open-Ended Response Answer Key

1. Protecting rights is important so that people have freedoms, like speech and religion, and do not get treated unfairly.
2. Answers will vary. Example: "I would be an Anti-Federalist because I believe people need clear protections against the government."
3. The Bill of Rights still protects freedom of speech, religion, and fair trials.
4. Without the Bill of Rights, people might not have clear protections for their freedoms.
