## A Day in the Life of a Circus Ringmaster

### Short-Answer Answer Key

1. The Ringmaster checks in with the performers before the show to make sure they feel prepared and confident.
2. The Ringmaster wears a red coat with golden buttons and a tall black hat.
3. Practice is important to ensure safety and to perfect the timing and execution of the acts.
4. The Ringmaster entertains the audience with jokes, stories, or juggling.
5. One challenge is ensuring the performers are safe during stunts.
