## Rival Siblings

### Open-Ended Response Questions

1. Explore the theme of loyalty in "Rival Siblings." How does the story portray the tension between loyalty to family and loyalty to one's organization? What do you think the author is trying to convey about the importance of loyalty?
2. Analyze the character development of Sarah and David throughout the story. How do their perspectives and relationships change as they navigate the high-stakes mission? What do their experiences teach them?
3. Discuss the role of trust and betrayal in the story, particularly in the context of the mole within one of the agencies. How does the presence of a traitor impact the overall plot, and what can readers learn about trust and deception from this narrative?
4. Imagine an alternative ending where Sarah and David decide to leave their intelligence agencies behind and work together as independent operatives. How might this change the story's message and the dynamics between the siblings?
