

Name _____

Rivals United: A Nation's Challenge

Short Answer Key

1. Anderson and Parker were forced to work together because of a severe economic downturn and a national crisis that required their cooperation.
2. The economic crisis led to a stock market crash, business closures, and high unemployment rates, affecting the livelihoods of millions of citizens.
3. Traditional political lines blurred as senators and supporters from both sides found common ground and formed new coalitions.
4. Anderson and Parker addressed both the economic crisis and the hurricane disaster by working together to pass legislation that provided relief and recovery measures.
5. The main lesson learned from their collaboration was that unity and compromise during challenging times could lead to solutions that benefited everyone.
