The Road to Success: What It Really Means

Short Answer Key

1. Learning to ride a bike without falling is an example of a small victory that represents success.
2. The passage suggests that helping others is an important part of success because it makes the world a better place and is a success that money can't buy.
3. Success is compared to climbing a mountain in the story because the climb itself, with its challenges and discoveries, is what makes success special, just like the journey of climbing a mountain.
4. The story emphasizes that being true to oneself is important for success. It suggests that success means following your passions and values, even if they're different from what others expect of you.
