

Name _____

Rock Legends: The Rolling Stones

Short Answer Key

1. The original members of The Rolling Stones were Mick Jagger (vocals), Keith Richards (guitar), Brian Jones (guitar), Bill Wyman (bass), Charlie Watts (drums), and Ian Stewart (piano).
2. Two famous songs by The Rolling Stones are "Paint It Black" and "Start Me Up."
3. The Rolling Stones' rebellious image led to bans and censorship in some places but also added to their appeal by reinforcing their rock and roll persona.
4. The song "Satisfaction" marked The Rolling Stones' breakthrough in the music industry, topping the charts in the United States and catapulting them to international stardom.
5. The Rolling Stones' music is considered influential in the world of rock and roll for its bluesy and rock sound, catchy guitar riffs, and Mick Jagger's distinctive voice, which set them apart in the music industry.
