

Name _____

The Enchanted Library: Eliza's Quest to Save Her Town

Open-Ended Response Questions

1. How might the ability to enter the worlds of the stories affect the emotional and mental well-being of the library's visitors?
2. In your opinion, should Eliza try to break the spell that holds the residents of the town captive in the book worlds, or should they be allowed to choose their own fate?
3. What challenges do you think Eliza will encounter on her quest to save the town, considering the allure and danger of the book worlds?
4. How might the town's culture and identity change if everyone succumbed to the temptation of the library's books and spent their lives in fictional worlds?
