

Name _____

The Outrageously Chaotic School Assemblies

Short Answer Key

1. Answers may vary. Possible answers include: pirate, mad scientist, or any other costume mentioned in the passage.
2. An example of a surprise guest performer could be the breakdancers from a local dance studio, and their act consisted of impressive breakdancing moves.
3. The confetti cannon misfired during one of the assemblies, covering Principal Wiggins in confetti. The students reacted with laughter.
4. The spontaneous game of musical chairs added excitement and fun to the assembly, with students running to find seats when the music stopped. The last student standing received a trophy made of glittering gold cardboard.
5. Principal Wiggins ensured each assembly ended on a high note by including surprises like a shower of balloons falling from the ceiling, an appearance by the school mascot, or an impromptu dance party.
