

Name _____

The Hidden School of Magic

Short Answer Key

1. Oliver's life changed after discovering the Hidden School of Magic as he gained access to a world of magic, honed his magical abilities, and made lifelong friends.
2. Some of the magical abilities that Oliver's fellow students possessed included levitating objects, conjuring fireflies, and performing other magical feats.
3. The headmaster of the Hidden School of Magic was Professor Thistlewick, who welcomed Oliver, recognized his magical potential, and guided his magical education.
4. Oliver faced challenges such as mastering difficult spells, solving magical puzzles, and protecting the school's secrets from outsiders.
5. Oliver loved the magical school, but he knew he would eventually have to return to the world above, where his family and other responsibilities awaited.
