Scoring in Badminton: Unraveling the Points System

Open-Ended Response Questions

1. Explain why rally scoring is used in badminton and how it affects the flow of the game.
2. Discuss the importance of the interval or break when a player or team reaches 11 points in a badminton game. How can this brief break impact the outcome of the game?
3. Imagine you are playing a competitive badminton match, and you are leading 20-19. What strategies can you employ to win the game and avoid a tiebreaker?
4. How does the scoring system in badminton encourage fairness and prevent players from relying solely on their serving skills to win games?
