## Adventure in the Enchanted Scottish Highlands

### Short Answer Key

1. They searched for the Loch Ness Monster (Nessie).
2. Eilean Donan Castle is located on a small island where three lochs meet. It seemed like it was from a fairy tale because of its towering stone walls and a bridge leading to its grand entrance.
3. They learned about the tragic history of the area, specifically the infamous massacre of 1692, and how it shaped Highland culture.
4. At the ceillidh, they joined in a lively Scottish folk dance. They enjoyed it because it allowed them to experience traditional Scottish music and dance and feel like part of the Highland community.
5. The Fairy Pools are special because they are crystal-clear blue pools fed by a series of waterfalls, and legends say that fairies reside there.
