## Scrolling Adventures

### Open-Ended Response Questions

1. In your own words, discuss the impact of smartphones and easy access to information on how we learn and explore the world.
2. How do you think the concept of "endless scrolling" can affect our attention span and ability to focus on tasks?
3. Share your thoughts on whether the "endless scrolling quest" described in the Haiku is a positive or negative aspect of modern life, and why.
4. What are some strategies you think people can use to balance their use of smartphones and technology for learning and leisure?
