## Scrolling Adventures

### Short Answer Key

1. The line "World's knowledge at my fingertips" highlights the incredible access to information and learning opportunities provided by a smartphone.
2. The Haiku captures the idea of endless scrolling by depicting the smartphone as a tool for exploring a vast world of information with just a swipe or tap.
3. Answers will vary. Students can share their experiences of getting absorbed in endless scrolling and how it makes them feel.
4. The poet may be searching for information, entertainment, or inspiration during their "endless scrolling quest."
5. The Haiku serves as a commentary on the convenience and potential distractions of technology. It highlights the access to knowledge but also suggests the endless and sometimes aimless nature of scrolling.
