

Name _____

A Pop Star's Secret Adventure

Short Answer Key

1. Melody enrolled in the elementary school to experience a normal life. She disguised herself with oversized glasses, a fake mustache, a cap, and a school uniform.
2. Molly became a beloved friend to her classmates by participating in school activities, attending sleepovers, celebrating birthdays, and sharing secrets, just like any other student.
3. Molly showcased her piano-playing talent in the talent show. The audience reacted with captivation and thunderous applause.
4. When Molly's classmates discovered her true identity, they kept her secret safe and protected her. They made this decision because they valued her friendship and understood the importance of her undercover adventure.
5. Melody learned the importance of humility, friendship, and the simple joys of life during her time at the elementary school.
