3. If I were Tommy, I would have been excited but also humble. I would have shared my success with my teammates and used my hitting powers to help the team win games. I would have focused on being a good teammate and not showing off.
4. Tommy's friends probably felt left out and upset when he was showing off. If I were one of Tommy's friends, I would have tried to talk to him and remind him about the importance of teamwork and being a good sport.
