

Name _____

The Secret Symphony

Short Answer Key

1. Melodious Wonders was a music shop in Harmonyville known for housing a magical piano that could make music from the deepest emotions of one's heart.
2. When Mia played a melody on the enchanted piano, the world around her faded, and she found herself in a concert hall.
3. Mia found herself on the grand stage of a concert hall, and the atmosphere was filled with illustrious musicians and captivated listeners.
4. Mia felt that her experience with the enchanted piano was more than just a dream, and she was determined to continue creating her secret symphonies.
5. Answers may vary. Students can speculate about the origins of the enchanted piano, such as a gifted musician imbuing it with magic or a magical event in Harmonyville's history.
