The Secret Symphony

Open-Ended Response Answer Key

1. Mia's experiences with the enchanted piano may lead her to explore her emotions through music, connect with audiences on a deeper level, and pursue a career as a professional musician.
2. Answers may vary. Students can describe the emotions they would express through the enchanted piano and the type of music they would create, providing reasons for their choices.
3. Music serves as a means of expressing emotions, connecting with others, and transporting Mia to a world where she can share her innermost feelings.
4. If students could share their innermost feelings through music, they can describe what they would want to convey to their audience, such as love, joy, or a message of hope, and explain why those emotions or messages are important to them.
