## Seeing Beyond

### Short Answer Key

1. Jonas first noticed something strange when an apple seemed to change in front of him.
2. The Giver explained that Jonas was starting to see beyond what others could, and he was beginning to see color.
3. The community removed colors to make everything the same, so no one would feel different or make the wrong choices.
4. Seeing colors made Jonas realize how much beauty and freedom his community had lost by choosing sameness.
5. Jonas learned that without choices, people could not truly appreciate life because they didn't know what they were missing.
