## Safari Surprises in the Serengeti

### Open-Ended Response Answer Key

1. (Answers will vary) Possible descriptions could include the vast herds of wildebeest, other animals following the migration, and the challenges they face.
2. (Answers will vary) Children can use their imagination to explain their choice and what they would do as that animal.
3. (Answers will vary) Possible answers may include discussions about camouflage, hunting strategies, or ways they stay cool in the hot climate.
4. (Answers will vary) Possible answers might include conserving resources, reducing pollution, and supporting wildlife conservation efforts.
