Name _____

Picking the Perfect Sewing Machine: A Stitch in Time

Open-Ended Response Questions

1. Imagine you're a beginner sewist who wants to make clothes. Explain why choosing the right sewing machine is essential for your success.

2. Think about a situation where someone has purchased a sewing machine without considering their skill level. What challenges might they face, and how could this have been avoided?

3. Describe a scenario where having a sewing machine with a buttonhole feature would be advantageous.

4. Explain why it's essential to have a clear understanding of your budget before you start shopping for a sewing machine.
