## Mastering Curves and Conquering Corners: Sewing Techniques Unveiled!

### Short Answer

1. What can you do to make sewing curves easier when the curve is tight and doesn't allow the fabric to ease smoothly?
2. Explain the purpose of clipping notches into the seam allowance when sewing curves.
3. Why is it essential to pivot the fabric at a marked corner while sewing?
4. What is the purpose of backstitching at the beginning and end of sewing a corner?
5. Why is pressing the seam allowances after sewing curves and corners important?
