

Name _____

The Dance of Shadows

Short Answer Key

1. Amelia accepted the invitation to the Dance of Shadows competition due to her curiosity and a desire for something more in her dance career. The prize for the winners was the Eclipsed Heart pendant, which had supernatural powers.
2. After making her wish with the Eclipsed Heart pendant, Amelia noticed subtle changes in her surroundings, including whispers in the wind, shadows moving, and glimpses of apparitions.
3. Amelia discovered the way to break the bond with the Eclipsed Heart through the mysterious twins living in a remote village. To do so, she had to perform the Dance of Shadows, a challenging and dangerous dance.
4. The Dance of Shadows allowed Amelia to confront the cost of her wish by merging her with the shadows and experiencing the supernatural consequences of her desire. It symbolized her journey to understand the true nature of her connection with the pendant.
5. Through her experiences in the competition and her journey to sever the supernatural connection, Amelia learned that the power of her humanity and her true self were more valuable than any supernatural abilities. She realized that the consequences of her wish were not worth the initial desire for extraordinary powers.
