

Name _____

Sibling Showdown

Open-Ended Response Answer Key

1. Taylor's jealousy strained their relationship with Alex, leading to betrayal and eventual remorse. It also prevented Taylor from finding true happiness, as their actions were driven by negative emotions.
2. Taylor likely confessed because they couldn't bear the guilt and regret of what they had done to Alex. They wanted to make amends and seek forgiveness.
3. The audience reacted positively to Taylor's confession because they appreciated honesty and forgiveness. They cheered for the siblings to reconcile because it symbolized hope and healing.
4. Taylor likely learned that jealousy and betrayal could never lead to true success or happiness. They realized the importance of forgiveness and reconciliation in repairing damaged relationships.
