Name _____

The Time-Traveling Skateboard Adventure

Open-Ended Response Questions

1. Max's skateboard transformed in the parking lot, glowing with an ethereal light. He decided to step onto it, leading to a time-traveling adventure. Describe his feelings and thoughts at that moment.

2. Explain Max's experience when he arrived in the 1980s. What were some of the things he encountered and how did they differ from his own time?

3. Describe the process through which Max became part of the 1980s skateboarding crew and the skills he acquired from them. How did these skills benefit him during his adventure?

4. Discuss the reasons behind Max's desire to find a way back to his own time. What challenges did he face in achieving this, and how did he overcome them?
