Skatepark Etiquette: Enjoying the Ride with Respect

Open-Ended Response Questions

1. Imagine you are skateboarding in a crowded skatepark, and someone cuts in front of you repeatedly. How would you handle this situation while following skateboarding etiquette?
2. Explain why respecting private property is important for skateboarders and how it contributes to maintaining a positive image of the sport.
3. Share a personal experience or a story of when you witnessed someone not following skatepark or skateboarding etiquette. What consequences did they face, if any, and what lessons can be learned from that experience?
4. Reflect on the importance of wearing safety gear like helmets and pads while skateboarding. Describe how it not only enhances safety but also sets a good example for others in the skateboarding community.
