## The Enchanted Sketchbook

### Open-Ended Response Answer Key

1. Lucy's sketchbook transformed her into a beloved figure in the community as she brought wonder and joy to her town by creating enchanting beings.
2. Lucy wanted her creations to be happy and free, so she allowed them to merge with the natural world.
3. The townsfolk were amazed by Lucy's abilities and came to witness her creations, making her a beloved figure in the community.
4. The story suggests that creativity can bring joy and wonder but that sometimes letting go of our creations can lead to greater harmony and happiness for all.
