The Role of Social Media in Modern Relationships

Open-Ended Response Questions

1. Reflect on a personal experience where social media played a significant role in maintaining a long-distance relationship. Describe how you and your partner used social media to stay connected, communicate, and strengthen your bond.
2. Imagine a scenario where a couple faced challenges due to excessive social media use, causing digital distractions. Offer advice on how they can set boundaries and reduce distractions to improve their relationship.
3. Discuss the impact of social media on self-esteem and insecurity in relationships. How can couples support each other in dealing with these challenges and maintaining a healthy self-image?
4. Share a story about a situation where a couple faced a misunderstanding on social media due to unclear text-based communication. Explain how they resolved the misunderstanding through open communication and empathy.
