

Name _____

The Social Media Circus: A Rollercoaster Ride through Society

Short Answer Key

1. Social media has positively impacted society by allowing people to raise awareness and organize protests for causes like #BlackLivesMatter and #ClimateStrike.
2. The essay suggests that we should use social media responsibly and wisely, just like wearing a safety harness on a rollercoaster.
3. According to the essay, social media has changed the way we consume information by providing real-time updates and breaking news from our favorite news outlets and journalists.
4. Social media can influence our choices by shaping our preferences for things like fashion trends, food, and travel destinations, based on what we see on platforms like Instagram.
5. The essay emphasizes that using social media wisely and responsibly is the key to making it a positive force in our lives.
