## Ode to Social Media

### Open-Ended Response Answer Key

1. Answers may vary, but students can discuss how social media can be a positive tool for connection and expression but also pose challenges such as addiction or privacy concerns.
2. Answers may vary, but students can share their observations about how social media has changed communication, such as making it more instant and accessible but potentially less personal.
3. Students can describe their experiences using filters and hashtags and how they've seen these elements enhance or change the content and its reception on social media.
4. Students can express their opinions on whether they feel their engagement with social media is temporary or ongoing, and why they feel that way.
