

Name _____

The Social Media Showdown

Open Ended Questions Answers

1. Sarah's fashion and beauty expertise and Max's gaming skills allowed them to showcase their unique talents during the competition, attracting different audiences. This diversity contributed to their success as social media influencers.
2. The surprise announcement of both Sarah and Max winning the competition emphasizes the value of collaboration and friendship in social media. It suggests that working together and supporting each other can lead to shared success and happiness.
3. Creativity plays a crucial role in becoming a successful social media influencer as it helps create engaging and unique content. Sarah showcased her creativity through fashion memes, and Max demonstrated his creativity in gaming memes during the competition.
4. The Social Media Showdown changed Sarah and Max's perspective by teaching them that social media is not just about competition but also about connecting with people, having fun, and sharing creativity. They realized that making friends and inspiring others was more rewarding than winning a contest.
