

Name _____

The Role of Social Media in Modern Relationships

Open-Ended Response Answer Key

1. (Response will vary based on personal experiences.)
2. (Response may include advice on setting screen time limits, designating device-free times, and prioritizing face-to-face interactions.)
3. (Response may discuss the potential for comparison on social media, the importance of open communication, and providing emotional support.)
4. (Response may include a fictional or real-life scenario and describe how the couple communicated openly to understand each other's intentions and feelings.)
