

Name _____

Social Media Shenanigans

Short Answer Questions

1. Describe Emi's prank and its impact on the residents of Emojiville.
2. How do the residents initially react to the fake "Crying Emoji Storm" forecast, and what consequences does it have on their mental health and relationships?
3. What measures does Emojiville take to improve mental health and reduce social media obsession, and how do these actions lead to positive changes in the town?
4. Discuss the role of humor in the story, particularly Emi's transformation from a prankster to a comedian. How does humor play a part in reminding the residents of Emojiville about the importance of balance in their lives?
5. In your opinion, what does the story convey about the effects of social media on mental health, and how does it use humor to address the issue? How can the lessons learned in Emojiville apply to real-life situations?
