

Name _____

The Secret Rules We All Follow: Understanding Social Norms

Short Answer

1. Give an example of a descriptive norm and explain why people follow it.
2. Provide a scenario where injunctive norms are at play and explain their role in that situation.
3. How can understanding social norms help individuals in social settings?
4. Name a historical figure who challenged social norms to bring about positive change. Describe the impact of their actions.
5. Explain the concept of cultural variation in social norms with an example.
