

Name _____

Socialism: A Different System of Government

Open-Ended Response Answer Key

1. Answers may vary, but responses should include reasoning for whether equitable distribution is a good thing and why.
2. Real-life examples could include countries like Sweden or Norway. Challenges may include limited individual freedoms, while benefits could include access to essential services.
3. A socialist government might encourage innovation by providing incentives or rewards for those who come up with new ideas or inventions.
4. Answers will vary, but responses should include a plan for ensuring equitable resource distribution and reasons for how it benefits the community.
