## Unraveling the Roots of Poverty and Socioeconomic Inequalities

### Short Answer

1. Explain how income inequality can result in disparities in wealth distribution.
2. Provide an example of discrimination based on gender and explain how it can hinder economic opportunities.
3. How can limited access to quality healthcare services impact an individual's socioeconomic status?
4. Describe the significance of social safety nets in addressing poverty and inequality.
5. Why is it challenging for individuals born into impoverished families to break the cycle of poverty?
