Be a Bullying Buster: What to Do When You See Someone Being Bullied

Open-Ended Response Questions

1. Share a personal experience or observation of a bullying incident you witnessed. Describe how you responded, the impact of your actions, and any lessons learned from the situation.
2. Imagine you are a school leader responsible for promoting a safe and inclusive environment. Discuss the importance of implementing anti-bullying programs and strategies in schools and how they can empower students to take action against bullying.
3. Reflect on the potential challenges you might face when intervening in a bullying incident and how you can overcome them while ensuring the safety of all involved.
4. In your opinion, what role do schools, communities, and families play in educating and empowering individuals to respond effectively when they see someone being bullied? Provide at least two examples of how each can contribute to addressing bullying.
